The Arabic Bible -Vandyke Translation- is at last in MS Word with vowels. The following [fonts](#) are needed for proper display of the Arabic text in Microsoft Word. These fonts help to display the Arabic diacritics (Tashkil) properly. Please copy these fonts under the fonts directory (the folder FONTS) of your windows installation which is usually found under (c:windowsfonts). By downloading the files the user agrees to the [Copy Rights and Proper Use Statement](#).
