

Commentaries & References

Please refer to our on-line commentaries and Bible references. This is an extensive site designed specifically for the Christian workers and Pastors in the Middle East. It also strives to secure a virtual Bible library to many underground believers in the Arab and Muslim world. It contains Arabic Bible commentaries, dictionaries, apologetics, family and Church matters and Doctrinal topics. Please visit [Word of Life Web](#) .

For more Tools, please refer to our site www.injeel.com which contains many other Bible Tools:
