

Enjoy The Arabic Bible and Study Tools on your Pocket PC Device

BibleReader™ for your Pocket PC PDA is a free, full-featured Bible reading and study application

Now you can have your Bible and Bible study reference materials available to you wherever you go. Whether it's a single favorite version or a complete Bible reference library, with Olive Tree Bible Software you can have it installed on your handheld computer for quick reference or serious study.

Our developers do not read the Arabic language so if you find specific bugs or typos please refer to a specific passage of scripture and detail whatever needs to be corrected. Your time and effort is greatly appreciated.

Please go get the program from [Olivetree](#)

Features:

1. Verse Chooser
2. Split screen
3. Cross References
4. Word and phrase search
5. Bible Maps

Arabic Gen 1:1 9:57a

١ فِي الْبَدَءِ خَلَقَ اللهُ السَّمَاوَاتِ
وَالْأَرْضَ. ٢ وَكَانَتِ الْأَرْضُ
خَرِبَةً وَخَالِيَةً وَعَلَى وَجْهِ الْغَمْرِ
ظُلْمَةٌ وَرُوحُ اللهِ يَرِفُّ عَلَى وَجْهِ
الْمِيَاهِ. ٣ وَقَالَ اللهُ: «لِيَكُنْ
نُورٌ» فَكَانَ نُورٌ. ٤ وَرَأَى اللهُ
النُّورَ أَنَّهُ حَسَنٌ. وَفَصَلَ اللهُ بَيْنَ
